Personal Transport

Many students walk or cycle to College. A number of students drive and park in the free student car park on site. Others may choose to use College transport or discounted public transport.

Discounted public transport

First Bus routes X39, 1a, 36, 178 and 349 service the college. Students are able to purchase special student cards which make travelling very cost-effective. The tickets provide unlimited travel for the life of the ticket and are available for a day, a week, a month or for the whole year. The tickets can be used on any First bus apart from the Nightflyer and Park and Ride. FirstWeek and FirstMonth Cards are also further subsidised by the college.

Students will need to purchase a FirstStudent Photocard in order to use any of the student cards. Up-to-date information including prices of tickets is available at www.firstgroup.com. Cards are available from the College ticket office during the college year.

Subsidised College coaches

In addition to public transport, the College arranges a number of coach routes to assist students for whom public transport is not an option.
