

St Brendan's Impact Assessment

<p>Name of Policy/function being assessed</p>	
<p>Is this a new or existing policy/function? Y / N</p>	
<p>1. In what areas are there concerns that the policy/function <u>could</u> have a differential impact (please circle)</p>	<p>Gender, Race, Disability, Age, Sexual orientation, Religion and beliefs, Socioeconomic, Transgender</p>
<p>2. What sort of possibilities are there that the policy/function could have a differential impact on other groups? (please give full details)</p>	
<p>3. What evidence do you have for this?</p>	
<p>4. What are the risks (or benefits) associated with the policy in relation to the differential impact?</p>	
<p>5. What are the expected benefits overall of the policy?</p>	
<p>6. Which relevant experts, groups have you approached to explore these issues and how did you get the information?</p>	
<p>8. Please give details of the views of the experts/groups on the issues involved</p>	
<p>9. Taking into account these views, and the available evidence, please outline the risks associated with the policy/function weighed against the benefits</p>	

10. What changes/modifications will now be made to the policy/function in the light of the Impact Assessment?	
11. How will these changes be communicated to interested parties?
